Dear Ms. Kitchen:

Enclosed are amended reports for the above referenced reports.

We have amended these reports in accordance with your letters and instructions and consultation with Andrew Dobson. These amendments do not change our previous reports in any substantive way; they merely clarify or correct some technical aspects of the reporting forms.

If you still have some questions or comments concerning our reports, it would help us if you would please specify any individual receipts or disbursements that are unclear or puzzling. We will respond without delay.

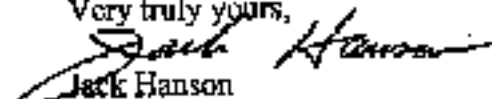

Please be aware, we are a small PAC and do not have a full time staff. Summer is here and I will be away for a good part of this summer season. If you have questions concerning these or other reports, please contact George Lynch (703-549-3310) or Mark Braden (202-861-1504). If you send out notices concerning any of our reports, please send copies to them; they will be glad to respond to your inquiries.
